

Build safe driving habits in an easy and fun way. Let TrypScore help you coach your new driver.

What is TrypScore?

TrypScore is an app that rewards you for driving safely! At TrypScore, we're all working together to make the roads a safer place and reduce the number of collisions and fatalities that occur each year. Each time you drive, TrypScore will measure your Tryp and give you a score out of 100! If you earn a safe score, you'll be able to collect rewards, level up, participate in challenges, and enter contests with major prizes!

Increase driver safety with TrypScore!

Vehicle collisions are the leading cause of death for novice drivers aged 15-29. The most significant cause of these collisions is driver inexperience. As a parent, you are the number one influence on your teen driver's safety. With TrypScore, you can set an example for your teen and get rewarded with amazing prizes for doing so! Your safe driving habits will become their safe habits. And all that practice will make you and your child better drivers and earn great rewards simultaneously!

MAKE EVERY DAY REWARDING

What are the benefits of using this app?

Guide their learning

By reviewing your teen's TrypScore progress with them, you can guide which of their driving skill needs improvement.

Log practice

TrypScore makes it easy to log your teen's practice time as each Tryp includes the distance, route, and driving time.

Great rewards

With more practice, you're not only improving safe driving behavior, but you'll be earning amazing rewards for it, too!

MORE FUN FEATURES

Enjoy challenges and exciting contests

It's not too late to get in on all the wonderful perks safe driving can bring to you! We have exciting in-app rewards and contests waiting for you, including our yearly contest, **Drive Free for a Year***!

**Terms & Conditions Apply*

DRIVE FREE FOR A YEAR

Win monthly cash payments for a full year

Car payments

Keep your car maintained and ready for the road.

Insurance

Get those monthly bills paid for and drive with peace of mind.

Gas Money

Keep those Tryps going knowing your fuel is free for the year.

Your privacy is our priority

TrypScore rewards you for driving safely while keeping your personal information, data, and location safe, private, and secure! Our privacy guarantee means that any data needed to score your driving is instantly anonymized. You're the one in the driver's seat, so your information is truly your own.

Why

As a safe driving tool, TrypScore uses your motion data to measure and score your driving accurately so you can learn where to improve. To aid our mission for safer roads, TrypScore utilizes anonymized safety data to advocate for improved roads, legislation, and traffic resources.

How

Privacy is non-negotiable at TrypScore. We've designed and set up TrypScore to anonymize all Tryp data, so no one has access to your location, scores, or personal information except for you and you alone! Our privacy policy states that we will never sell or distribute your personal information.

Promise

TrypScore is GDPR compliant and will never sell your data to anyone. That means your scores, location, and personal information will never be shown to your employer, a third-party, or anyone else! You can focus on your scores and rewards with peace of mind!

EVERYBODY CAN GET IT ON THE FUN

Practice is its own reward — for the entire family

Every driver in your family can get it on the fun! You can set up a family contest with your own additional prizes to get everyone involved. Healthy competition is a great way to focus on driving safer.

Save on fuel

Safe driving has always been essential for fuel conscious driving. You can expect to save up to 15% when you and your family drive safely.

Undistracted driving

TrypScore runs in the background and could detect phone use. Our scoring system encourages undistracted driving and rewards you for doing so.

Be the role model

Be the driver you want your teen to be. Challenge your whole family to compete for the safest scores...trust us, the bragging rights feel great!

HOW TO USE

**Redeem your rewards —
you deserve it.**

By participating via both in-app and driving school led contests and challenges, you could win your choice of a variety of gift cards from the TrypScore Redemption site!

Any rewards or gift cards that you earn through TrypScore will be sent to you via an email to the email address associated with your TrypScore account. You can choose to claim the full amount received to one gift card or break it up between multiple gift cards.

Each gift card will come with redemption instructions and will be fully explained via the email that gives you access to the TrypScore Redemption site.

If you have any issues claiming rewards, you can always reach out to our support team via the app or at <https://support.trypscores.com>
